SESSION INFORMATION

Clothing

Wear comfortable clothes appropriate for the season. Keep in mind that you will be resting face up, fully clothed, shoes off, on a padded table during the sessions.

Scents

Avoid perfume and the use of scented soaps, hair, and/or skin care before your sessions. Sessions should be as fragrance-free as possible.

Jewelry

All jewelry is acceptable as long as it is comfortable to wear during the sessions.

State of Mind

During the session, you will be asked to lie down on the massage table, close your eyes and “let go”. It is best to be in a state of expectancy during the session and to allow whatever is supposed to happen to happen. During these sessions it is not necessary, in fact not recommended, that you meditate, pray, or attach to any specific outcome. Be receptive to the experience, knowing that you are participating in a positive and exciting process brought to you by God/Love/Universe (whichever you prefer), and intended to give you exactly what you may need at this time.

Time

Reconnective Healing™ sessions typically last 45 minutes, and one to three sessions are normally recommended.

Fees

Please refer to my website for the total cost of Reconnective Healing™ sessions .
